

To the owner / occupant
Notice of non-compliance
Collection of leaves and green residues

Notice given: _____

Last notice: _____

Address: _____

Your bags were not been picked up because they do not meet at the following participating conditions:

Leaves bagged in plastic bags

Bag (s) too heavy (more than 22.5 kg / 50 lb)

Bag (s) torn

Bag (s) containing one or more of the following residues:

Branches

Bricks

Gravel

Crushed stones

Sand

Stumps

Soil

Any other waste (plastic, strings, etc.)

Reminder of the instructions to follow:

- Only the following green residues are accepted: leaves, pine needles and cones, garden or indoor plants, hedge cuttings without branches
- Only compostable paper bags can be used
- The weight of each bag should not exceed 22.5 kg / 50 lbs
- Bags should not be torn

Important reminders:

- Farmers value your leaves, it's not up to them to sort your waste!
- Employees collecting your bags must lift thousands of bags at each collection – respect the weight
- The City provides financial assistance to purchase mulching blades, and push lawn mowers and backyard composters find out more: www.ville.saint-lazare.qc.ca/en/soutienresidents.
